

**College Now!** Students are required to obtain the signatures of the Instructor of Record and the Dean, Kinesiology, Recreation and Athletics prior to enrolling in any PE or PEIA course. In addition to the instructor's and dean's permission, CN students must also meet all other criteria for the **College Now!** program, before enrolling in a PE or PEIA course.

Signatures are not available until the first class meeting of the course.

The instructor must also issue an add code to the student, to permit online enrollment. However, the dean may determine that the student is unable to enroll in the course. The dean's decision is final.

The student must return the **College Now!** Petition for Enrollment to the Admissions and Records office **BEFORE** adding PE or PEIA courses and before the deadline to add the course with an add code.

The following signatures must be on the form:

- Student
- Parent/Guardian
- High School Principal or Designee
- AHC Instructor of Record (the person teaching the course)
- Dean, Kinesiology, Recreation and Athletics

If the student enrolls in PE or PEIA without submitting the **College Now!** Petition for enrollment with all required signatures, the student will be administratively dropped and not permitted to attend the course.
