

Default Question Block

Dear AHC Staff,

We know that this spring has been challenging for everyone at Allan Hancock College. Supporting your continued capacity to deliver service to the college is incredibly important. This survey includes questions to try to understand: your experiences with working remotely, other effects that COVID-19 has had on you and your work experience, and your ideas for how AHC can improve their response during this crisis. This survey should take about 10 minutes to complete. Your participation in this survey is completely voluntary and confidential. The only way we will be able to identify you is if you volunteer that information in the comments section.

We would appreciate hearing from you so we can get a better sense of how you're doing and ways we can help.

Thank you for your time.

- I **consent**, take me to the survey.
- I **do not consent**, I do not wish to participate.

Are you full or part-time?

- Part-time
- Full-time
