

## **Designated Smoking Areas (DSAs) Survey**

Occasionally, the Associated Student Body Government (ASBG) conducts surveys to receive feedback from our fellow students that can then be presented to the appropriate campus Councils and/or Committees. The following survey about Designated Smoking Areas will be used to collect data about the current awareness as well as help raise awareness about the policies concerning smoking on campus. Your input is greatly valued and appreciated. Please click next to continue.

We would like to know your experience and opinion about designated smoking areas on campus. Please answer the following statements as honestly as possible.
