The Bonds shall be issued as bonds registered as to both Principal and interest, in the denominations of, with respect to the Current Interest Bonds, \$5,000 Denominational Amount or any integral multiple thereof (except for one odd denomination), and with respect to the Capital Appreciation Bonds, \$5,000 Maturity Value, or any integral multiple thereof (except for one odd denomination). The Bonds will be initially registered to “Cede & Co.”, the Nominee of the Depository Trust Company, New York, New York.

Each Capital Appreciation Bond shall be dated, and shall accrete interest from, its date of initial delivery. Capital Appreciation Bonds will not bear interest on a current basis.

Each Current Interest Bond shall be dated the date of initial delivery or such other date as shall appear in the Purchase Contract or the Official Statement (the “Dated Date”), and shall bear interest from the Bond Payment Date next preceding the date of authentication thereof unless it is

authenticated as of a day during the period from the 15<sup>th</sup> day of the month next preceding any Bond Payment Date to that Bond Payment Date, inclusive, in which event it shall bear interest from such Bond Payment Date, or unless it is authenticated on or before January 15, 2007, in which event it shall bear interest from the Dated Date.

The Bonds shall bear interest or accrete interest at a rate or rates such that the interest rate shall not exceed the maximum rate permitted by law. Interest shall be payable on the respective Bond Payment Dates and shall be computed on the basis of a 360-day year of twelve 30-day months.

The Capital Appreciation Bonds shall be dated the date of initial delivery of such bonds and mature in the years and shall be issued in the aggregate Denominational Amount set forth in the Purchase Contract and shall have an interest rate and shall have Denominational Amounts per each five thousand dollars (\$5,000) in Maturity Value as shown in the Accreted Value Table appended to the Official Statement; provided, that in the event that the amount shown in such Accreted Value Table and the Accreted Value calculated by the District and approved by the Bond Insurer by application of the definition of Accreted Value set forth in Section 4 differ, the latter amount shall be the Accreted Value of such Capital Appreciation Bond.

(b) Redemption.

(i) Optional Redemption. The Bonds are subject to optional redemption prior to their stated maturity dates as provided in the Purchase Contract.

(ii) Mandatory Redemption. Unless otherwise provided in the Purchase Contract, the Term Bonds are subject to mandatory redemption from moneys in the Debt Service Fund (as defined herein) established in Section 11 hereof prior to their stated maturity date, at the Principal Amount or Accreted Value thereof without premium, on each August 1, as set forth in the Purchase Contract and in the Official Statement described below.

(iii) Selection of Bonds for Redemption. Whenever provision is made in this Resolution for the optional redemption of Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent identified below, upon written instruction from the District, shall select Bonds for redemption as so directed by the District and if not directed, in inverse order of maturity. Within a maturity, the Paying Agent shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 (except for one odd denomination, if any) or any integral multiple thereof and the portion of any Capital Appreciation Bond to be redeemed in part shall be in integral multiples of the Accreted Value per \$5,000 Maturity Value thereof (except for one odd denomination, if any).

(iv) Notice of Redemption. When redemption is authorized or required pursuant to Section 5(b)(i) hereof, the Paying Agent, upon written instruction from the District, shall give notice (a "Redemption Notice") of the redemption of the Bonds. Such Redemption Notice shall specify: the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, the date of redemption, the place or places where the redemption will be made, including the name and address of the Paying Agent, the redemption price, the CUSIP numbers (if any) assigned to the Bonds to be redeemed, the Bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount of such Bond to be redeemed, and the original issue date, interest rate or Accretion

Rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed at the redemption price thereof, together with the interest accrued or accreted to the redemption date, and that from and after such date, interest with respect thereto shall cease to accrue or accrete.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(a) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by registered or certified mail, postage prepaid, at their addresses appearing on the Bond Register.

(b) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to the Securities Depositories.

(c) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

Neither failure to receive or failure to publish any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(v) Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(vi) Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside in the District's Debt Service Fund, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 5(b)(i) and (ii) hereof, together with interest accrued or accreted to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue or accrete and become payable. All money held by or on behalf of the Paying Agent for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 5 shall be cancelled upon surrender thereof and be delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Paying Agent.

(vii) Bonds No Longer Outstanding. When any Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held by the Paying Agent irrevocably in trust for the payment of the redemption price of such Bonds or portions thereof, and, in the case of Current Interest Bonds, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Bonds shall no longer be deemed Outstanding and shall be surrendered to the Paying Agent for cancellation.

(c) Book-Entry System.

(i) Definitions. As used in this Section, the terms set forth below shall have the meanings ascribed to them:

“Participants” means those broker-dealers, banks and other financial institutions from time to time for which the Depository holds book-entry certificates as securities depository.

(ii) Election of Book-Entry System. The Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Bonds in an authorized denomination (except for any odd denomination Bond). The ownership of each such Bond shall be registered in the Bond Register (as defined below) in the name of the Nominee, as nominee of the Depository, and ownership of the Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 5(c)(ii)(4).

With respect to book-entry Bonds, the District and the Paying Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry Bonds, (ii) the delivery to any Participant or any other person, other than an owner as shown in the Bond Register, of any notice with respect to book-entry Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry Bonds to be prepaid in the event the District redeems the Bonds in part, or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to Accreted Value, Principal of, premium, if any, or interest on the book-entry Bonds. The District and the Paying Agent may treat and consider the person in whose name each book-entry Bond is registered in the Bond Register as the absolute owner of such book-entry Bond for the purpose of payment of Accreted Value or Principal of and premium and interest on and to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent shall pay all Accreted Value or Principal of and premium, if any, and interest on the Bonds only to or upon the order of the respective owner, as shown in the Bond

Register, or his or her respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of Accreted Value or Principal of, and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an owner, as shown in the Bond Register, shall receive a certificate evidencing the obligation to make payments of Accreted Value or Principal of, and premium, if any, and interest on the Bonds. Upon delivery by the Depository to the owner and the Paying Agent, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word Nominee in this Resolution shall refer to such nominee of the Depository.

1. Delivery of Letter of Representations. In order to qualify the book-entry Bonds for the Depository's book-entry system, the District and the Paying Agent shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Paying Agent any obligation whatsoever with respect to persons having interests in such book-entry Bonds other than the owners, as shown on the Bond Register. By executing a Letter of Representations, the Paying Agent shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the District and the Paying Agent shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify book-entry Bonds for the Depository's book-entry program.

2. Selection of Depository. In the event (i) the Depository determines not to continue to act as securities depository for book-entry Bonds, or (ii) the District determines that continuation of the book-entry system is not in the best interest of the beneficial owners of the Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such book-entry Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of this Section 5(c).

3. Payments to Depository. Notwithstanding any other provision of this Resolution to the contrary, so long as all outstanding Bonds are held in book-entry form and registered in the name of the Nominee, all payments by the District or the Bond Register with respect to Accreted Value or Principal of and premium, if any, or interest on the Bonds and all notices with respect to such Bonds shall be made and given, respectively to the Nominees, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the Paying Agent notwithstanding any inconsistent provisions herein.

4. Transfer of Bonds to Substitute Depository.

(A) The Bonds shall be initially issued as described in the Official Statement described herein. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

(1) to any successor of DTC or its nominee, or of any substitute depository designated pursuant to Section 5(c)(ii)(4)(A)(2) (“Substitute Depository”); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(2) to any Substitute Depository designated by the District, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(3) to any person as provided below, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 5(c)(ii)(4)(A)(1) or (2), upon receipt of all outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent designating the Substitute Depository, a single new Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Bonds then outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 5(c)(ii)(4)(A)(3), upon receipt of all outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, new Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption or an advance refunding of any Bonds evidencing a portion of the Maturity Value or Principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Bonds indicating the date and amounts of such reduction in Maturity Value or Principal, in form acceptable to the Paying Agent, all in accordance with the Letter of Representations. The Paying Agent shall not be liable for such Depository’s failure to make such notations or errors in making such notations.

(D) The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying

Agent or the District; and the District and the Paying Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds. Neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Bonds, and the Paying Agent may rely conclusively on its records as to the identity of the owners of the Bonds.

**SECTION 6. Execution of Bonds.** The Bonds shall be signed by the Superintendent/President and the President of the Board by their manual or facsimile signatures and countersigned by the manual or facsimile signature of the Clerk or Secretary of or to the Board, all in their official capacities. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Bond is signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

**SECTION 7. Paying Agent; Transfer and Exchange.** So long as any of the Bonds remain outstanding, the District will cause the Paying Agent to maintain and keep at its principal office all books and records necessary for the registration, exchange and transfer of the Bonds as provided in this Section. Subject to the provisions of Section 8 below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of this Resolution. Payment of or on account of the Accreted Value of or Principal of and premium, if any, and interest on any Bond shall be made only to or upon the order of that person; neither the District nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of like tenor, maturity and Transfer Amount upon presentation and surrender at the principal office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. A Bond may be transferred on the Paying Agent only upon presentation and surrender of the Bond at the principal office of the Paying Agent together with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. Upon exchange or transfer, the Paying Agent shall complete, authenticate and deliver a new Bond or Bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the Transfer Amount of the Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date. Capital Appreciation Bonds and Current Interest Bonds may not be exchanged for one another.

If any Bond shall become mutilated, the District, at the expense of the Owner of said Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like series, tenor and Transfer Amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Paying Agent of the Bond so mutilated. If any Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Paying Agent and, if such evidence is satisfactory to the Paying Agent and indemnity for the Paying Agent, the District (including the Board of Trustees, and its officials, officers, agent and employees) satisfactory to the Paying Agent shall be given by the Owner, the District, at the expense of the Bond

Owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Bond the Paying Agent may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Paying Agent and the District). The Paying Agent may require payment of a reasonable fee for each new Bond issued under this paragraph and of the expenses which may be incurred by the District and the Paying Agent.

If manual signatures on behalf of the District are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the District. In all cases of exchanged or transferred Bonds, the District shall sign and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be cancelled by the Paying Agent. The District may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Bonds that the District may have acquired in any manner whatsoever, and those Bonds shall be promptly cancelled by the Paying Agent. Written reports of the surrender and cancellation of Bonds shall be made to the District by the Paying Agent on or before February 1 and August 1 of each year. The cancelled Bonds shall be retained for six years, then returned to the District or destroyed by the Paying Agent as directed by the District.

Neither the District nor the Paying Agent will be required (a) to issue or transfer any Bonds during a period beginning with the opening of business on the 15<sup>th</sup> business day next preceding either any Bond Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable notice of redemption is given or (b) to transfer any Bonds which have been selected or called for redemption in whole or in part.

**SECTION 8. Payment.** Payment of interest on any Current Interest Bond on any Bond Payment Date shall be made to the person appearing on the registration books of the Paying Agent as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by check mailed to such Owner on the Bond Payment Date at his or her address as it appears on such registration books or at such other address as he may have filed with the Paying Agent for that purpose on or before the Record Date. The Owner in an aggregate Principal Amount or Maturity Value of \$1,000,000 or more may request in writing to the Paying Agent that such Owner be paid interest by wire transfer to the bank and account number on file with the Paying Agent as of the Record Date. The Principal of, and redemption premiums, if any, payable on the Current Interest Bonds and the Accreted Value and redemption premiums, if any, on the Capital Appreciation Bonds shall be payable upon maturity or redemption upon surrender at the principal office of the Paying Agent. The interest, Accreted Value, Principal and premiums, if any, on the Bonds shall be payable in lawful money of the United States of America. The Paying Agent is hereby authorized to pay the Bonds when duly presented for payment at maturity, and to cancel all

Bonds upon payment thereof. The Bonds are general obligations of the District, payable solely from the proceeds of *ad valorem* taxes levied on all property subject to such taxes within the District.

**SECTION 9. Form of Bonds.** The Bonds shall be in substantially the following form, allowing those officials executing the Bonds to make the insertions and deletions necessary to conform the Bonds to this Resolution, the Purchase Contract and the Official Statement.

PRINCIPAL AMOUNT:

The Allan Hancock Joint Community College District (the "District") in Santa Barbara, San Luis Obispo and Ventura Counties, California (the "Counties"), for value received, promises to pay to the Registered Owner named above, or registered assigns, the Principal Amount on the Maturity Date, each as stated above, and interest thereon until the Principal Amount is paid or provided for at the Interest Rate stated above, on February 1 and August 1 of each year (the "Bond Payment Dates"), commencing February 1, 2007. This bond will bear interest from the Bond Payment Date next preceding the date of authentication hereof unless it is authenticated as of a day during the period from the 15th day of the month next preceding any Bond Payment Date to the Bond Payment Date, inclusive, in which event it shall bear interest from such Bond Payment Date, or unless it is authenticated on or before January 15, 2007, in which event it shall bear interest from the date of initial delivery. Interest on this bond shall be computed on the basis of a 360-day year of twelve 30-day months. Principal and interest are payable in lawful money of the United States of America, without deduction for the paying agent services, to the person in whose name this bond (or, if applicable, one or more predecessor bonds) is registered (the "Registered Owner") on the Register maintained by the Paying Agent, initially U.S. Bank National Association. Principal is payable upon presentation and surrender of this bond at the principal office of the Paying Agent. Interest is payable by check or draft mailed by the Paying Agent on each Bond Payment Date to the Registered Owner of this bond (or one or more predecessor bonds) as shown and at the address appearing on the Register at the close of business on the 15th day of the calendar month next preceding that Bond Payment Date (the "Record Date"). The Owner of Current Interest Bonds in the aggregate Principal Amount of \$1,000,000 or more may request in writing to the Paying Agent that the Owner be paid interest by wire transfer to the bank and account number on file with the Paying Agent as of the Record Date.

This bond is one of an authorization of \$\_\_\_\_\_ of bonds approved for the purpose of raising money for the purposes authorized by the voters of the District at the Election (as defined below) and to pay all necessary legal, financial, engineering and contingent costs in connection therewith under authority of and pursuant to the laws of the State of California, and the requisite fifty-five percent vote of the electors of the District cast at an election held on June 6, 2006 (the "Election"), upon the question of issuing bonds in the amount of \$180,000,000, and the resolution of the Board of Trustees of the District adopted on August 15, 2006 (the "Bond Resolution"). This bond and the issue of which this bond is one are general obligations of the District, payable as to both

Principal and interest from the proceeds of the levy of *ad valorem* taxes on all property subject to such taxes in the District, which taxes are unlimited as to rate or amount in accordance with California Education Code Section 15250 and 15252.

The bonds of this issue are comprised of \$\_\_\_\_\_ Principal amount of Current Interest Bonds, of which this bond is a part (a “Current Interest Bond”) and Capital Appreciation Bonds of which \$\_\_\_\_\_ represents the Denominational Amount and \$\_\_\_\_\_ represents the Maturity Value.

This bond is exchangeable and transferable for bonds of like tenor, maturity and Transfer Amount (as defined in the Bond Resolution) and in authorized denominations at the principal office of the Paying Agent in San Francisco, California, by the Registered Owner or by a person legally empowered to do so, in a form satisfactory to the Paying Agent, all subject to the terms, limitations and conditions provided in the Bond Resolution. All fees and costs of transfer shall be paid by the transferor. The District and the Paying Agent may deem and treat the Registered Owner as the absolute owner of this bond for the purpose of receiving payment of or on account of Principal or interest and for all other purposes, and neither the District nor the Paying Agent shall be affected by any notice to the contrary.

Neither the District nor the Paying Agent will be required (a) to issue or transfer any bond during a period beginning with the opening of business on the 15th business day next preceding either any Bond Payment Date or any date of selection of bonds to be redeemed and ending with the close of business on the Bond Payment Date or day on which the applicable notice of redemption is given or (b) to transfer any bond which has been selected or called for redemption in whole or in part.

The Current Interest Bonds maturing on or before August 1, 20\_\_ are not subject to redemption prior to their fixed maturity dates. The Current Interest Bonds maturing on or after August 1, 20\_\_ are subject to redemption on or after August 1, 20\_\_ at the option of the District as a whole or in part on any date, at a Redemption Price equal to the principal amount of the Current Interest Bonds to be redeemed, plus interest accrued thereon to the date fixed for redemption, without premium.

The Current Interest Bonds maturing on August 1, 20\_\_ are subject to mandatory redemption from moneys in the Debt Service Fund prior to their stated maturity date, at the Principal Amount thereof without premium on each August 1, on and after August 1, 20\_\_, in the Principal Amounts as set forth in the following table:

Redemption Dates

Principal Amounts

If less than all of the bonds of any one maturity shall be called for redemption, the particular bonds or portions of bonds of such maturity to be redeemed shall be selected by lot by the District in such manner as the District in its discretion may determine; provided, however, that the portion of any bond to be redeemed shall be in the Principal Amount of \$5,000 or some multiple thereof (except

for one odd maturity, if any). If less than all of the bonds stated to mature on different dates shall be called for redemption, the particular bonds or portions thereof to be redeemed shall be called in any order of maturity selected by the District or, if not so selected, in the inverse order of maturity.

The Registered Owner of this bond assents, by acceptance hereof, to all of the provisions of the Bond Resolution.

It is certified and recited that all acts and conditions required by the Constitution and laws of the State of California to exist, to occur and to be performed or to have been met precedent to and in the issuing of the bonds in order to make them legal, valid and binding general obligations of the District, have been performed and have been met in regular and due form as required by law; that payment in full for the bonds has been received; that no statutory or constitutional limitation on indebtedness or taxation has been exceeded in issuing the bonds; and that due provision has been made for levying and collecting *ad valorem* property taxes on all of the taxable property within the District in an amount sufficient to pay Principal and interest when due, and for levying and collecting such taxes the full faith and credit of the District are hereby pledged.

**SECTION 10. Delivery of Bonds.** The proper officials of the District shall cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the original purchaser upon payment of the purchase price therefor.

**SECTION 11. Deposit of Proceeds of Bonds.** The proceeds from the sale of the Bonds, to the extent of the Denominational Amount and the Principal Amount thereof, shall be paid to the County to the credit of the fund hereby created and established and to be known as the “Allan Hancock Joint Community College District Series A Building Fund” (the “Building Fund”) of the District, shall be kept separate and distinct from all other District and County funds, and those proceeds shall be used solely for the purposes for which the Bonds are being issued shall be applied solely to authorized purposes. The accrued interest and any premium received by the County from the sale of the Bonds shall be kept separate and apart in the fund hereby created and established and to be designated as the “Allan Hancock Joint Community College District Series A Debt Service Fund” (the “Debt Service Fund”) for the Bonds and used only for payment of Accreted Value or Principal of and interest on the Bonds. Interest earnings on moneys held in the Building Fund shall be retained in the Building Fund. Interest earnings on moneys held in the Debt Service Fund shall be retained in the Debt Service Fund. Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which the Bonds are being issued shall be transferred to the Debt Service Fund and applied to the payment of Accreted Value or Principal of and interest on the Bonds. If, after payment in full of the Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the General Fund of the District.

Subject to federal tax restrictions, moneys in the funds created hereunder shall be invested in any lawful investment permitted by Sections 16429.1 and 53601 of the Government Code of the State of California (the “Government Code”) or in shares in a California common law trust established pursuant to Title 1, Division 7, Chapter 5 of the Government Code which invests exclusively in investments permitted by Section 53635 of the Government Code, in LAIF, or in a guaranteed investment contract with a financial institution or insurance company which has at the date of execution thereof one or more outstanding issues of unsecured, uninsured and unguaranteed debt obligations or a claims paying ability rated not lower than the second highest rating category (without regard to subcategories) by Standard & Poor’s Ratings Services and Moody’s Investors Service.

Except as required below to satisfy the requirements of Section 148(f) of the Internal Revenue Code of 1986, as amended (the “Code”), interest earned on the investment of moneys held in the Debt Service Fund shall be retained in the Debt Service Fund and used to pay the Accreted Value or Principal of and interest on the Bonds when due.

**SECTION 12. Rebate Fund.**

(a) The District shall create and establish a special fund designated the “Allan Hancock Joint Community College District Series A Rebate Fund” (the “Rebate Fund”). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the “Rebate Requirement”) pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the “Treasury Regulations”). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District.

(b) Within forty-five (45) days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Bonds the amount that would be considered the “rebate amount” within the meaning of Section 1.148-3 of the Treasury Regulations, using as the “computation date” for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the “rebate amount” so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the “rebate amount” calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the “rebate amount” and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Bonds (including amounts treated as proceeds of the Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after redemption of all the Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than sixty (60) days after the end of (i) the fifth (5th) Bond Year, and (ii) each fifth (5th) Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than sixty (60) days after the payment of all Bonds, an amount equal to one hundred percent (100%) of the “rebate amount” calculated as of the date of such payment (and any income attributable to the “rebate amount” determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service Center, Ogden, Utah 84201, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the “rebate amount” calculated in accordance with said subsection, the District shall withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) The District shall retain records of all determinations made hereunder until six years after the complete retirement of the Bonds.

(i) Notwithstanding anything in this Resolution to the contrary, the Rebate Requirement shall survive the payment in full or defeasance of the Bonds.

**SECTION 13. Security for the Bonds.** There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* tax annually during the period the Bonds are outstanding in an amount sufficient to pay the Principal and Accreted Value of and interest on the Bonds when due, which moneys when collected will be placed in the Debt Service Fund of the District, which fund is irrevocably pledged for the payment of the Principal and Accreted Value of and interest on the Bonds when and as the same fall due.

The moneys in the Debt Service Fund, to the extent necessary to pay the Principal and Accreted Value of and interest on the Bonds as the same become due and payable, shall be transferred by the Santa Barbara County Treasurer-Tax Collector to the Paying Agent, which, in turn, shall pay such moneys to DTC to pay the Principal of and Accreted Value of and interest on the Bonds. DTC will thereupon make payments of Principal and Accreted Value and interest on the Bonds to the DTC Participants who will thereupon make payments of Principal and Accreted Value and interest to the beneficial owners of the Bonds. Any moneys remaining in the Debt Service Fund after the Bonds and the interest thereon have been paid, or provision for such payment has been made, shall be transferred to the General Fund of the District, pursuant to the Education Code Section 15234.

**SECTION 14. Arbitrage Covenant.** The District covenants that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that Section or any predecessor section. Calculations for determining arbitrage requirements are the sole responsibility of the District.

**SECTION 15. Legislative Determinations.** The Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith, credit and revenues of the District are pledged for the timely payment of the Principal of and interest on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

**SECTION 16. Official Statement.** An Official Statement relating to the Bonds to be used in connection with the offering and sale of the Bonds is authorized to be prepared. The District and the Underwriter are hereby authorized to distribute copies of the Preliminary Official Statement and the Official Statement to persons who may be interested in the purchase of the Bonds and are directed to deliver copies of any final Official Statement to the purchaser of the Bonds, in such time and manner as to conform with the requirements of Rule 15c2-12 of the Securities and Exchange Commission. Execution of the Official Statement shall conclusively evidence the District's approval of the Official Statement. The Superintendent/President, the Vice President, or a designated deputy thereof, each alone, are authorized to execute the final Official Statement and to deem "final" pursuant to Rule 15c2-12 of the Securities Exchange Act of 1934 the Preliminary Official Statement prior to its distribution.

**SECTION 17. Insurance.** In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the Principal of, interest or Accreted Interest on the Bonds, it shall become the owner of such Bonds with the right to payment of Principal, interest or Accreted Interest on the Bonds, and shall be fully subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Paying Agent shall note the Bond Insurer's rights as subrogee on the registration books for the Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due Principal or Accreted Value, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for the Bonds maintained by the Paying Agent upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

**SECTION 18. Defeasance.** All or any portion of the outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with an independent escrow agent selected by the District an amount of cash which together with amounts then on deposit in the Debt Service Fund (as hereinafter defined) is sufficient to pay all Bonds outstanding and designated for defeasance, including all Principal, Maturity Value and interest and premium, if any; or

(b) Government Obligations: by irrevocably depositing with the Paying Agent or with an independent escrow agent selected by the District noncallable Government Obligations together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and moneys then on deposit in the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Bonds outstanding and designated for defeasance (including all principal, Maturity Value and interest represented thereby and prepayment premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Bonds shall not have been surrendered for payment, all obligations of the District with respect to all such designated outstanding Bonds shall cease and terminate, except only the obligation of the Paying Agent or an independent escrow agent selected by the District to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the owners of such designated Bonds not so surrendered and paid all sums due with respect thereto.

“Government Obligations” means direct and general obligations of the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, or “prerefunded” municipal obligations rated in the highest rating category by Moody’s or Standard & Poor’s. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (a) a bank or trust company acts as custodian and holds the underlying United States obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (c) the underlying United States obligations are held in a special account, segregated from the custodian’s general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed “AAA” by Standard & Poor’s or “Aaa” by Moody’s.

**SECTION 19. Other Actions.** Officers of the Board and District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

**SECTION 20. Resolution to County Treasurer-Tax Collector.** The Secretary to this Board is hereby directed to provide a certified copy of this Resolution to the Treasurer-Tax Collector of Santa Barbara County immediately following its adoption.

**SECTION 21. Continuing Disclosure.** The District hereby covenants and agrees that it will comply with and carry out all of the provisions of that certain Continuing Disclosure Certificate executed by the District and dated the date of issuance and delivery of the Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof. Any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. Noncompliance with this Section shall not result in acceleration of the Bonds.

**SECTION 22. Effective Date.** This Resolution shall take effect immediately upon its passage.
