

# Vaccine Clinic with Albertsons Pharmacy

March 27th, 9:00 - 12:00

Commons Area

## Are you up to date on your immunizations?

Did you know that Measles is a highly contagious viral disease? It is widespread in many parts of the world & it is on the rise in the USA & California. Best way to protect yourself, your family & limit spread is by vaccination.

## Do you need immunizations for your academic program?

Nursing students, Medical Assistant, Early Childhood Studies, & EMS are a few programs that have immunization requirements

## Schedule your appointment here:

The following vaccines will be available:

Flu, COVID, MMR, Varicella, Tdap, HepB, & HPV

Please bring your insurance information to your appointment.
